

COROLLA CROSS

TOYOTA

Move your world

REINVENT THE

Rules

HERE'S TO THE ONES
WHO NEVER SETTLE.

WHO CELEBRATE EVERY CHALLENGE
THAT PUSHES THEM FURTHER.

WHO FIND COMFORT AWAY FROM
COMFORT ZONES.

THE COROLLA CROSS WAS CONCEPTUALISED
TO TAKE YOU DOWN YOUR ROAD LESS TRAVELLED.

REINVENT AESTHETICS

Both functionality and aesthetics reign supreme with the Corolla Cross. The features are complemented by a signature look that will never go out of style.

Bi-LED Headlamps & LED Daytime Running Lights [DRL] with Light Curtain Design

Form and function seamlessly combine with headlamps that strikingly attract the eye while lighting your way forward, be it night or day.

LED Rear Lamps with Light Curtain Design

The collection of lamps effectively attracts the attention of the driver behind while displaying an aesthetic pattern featuring fine lines.

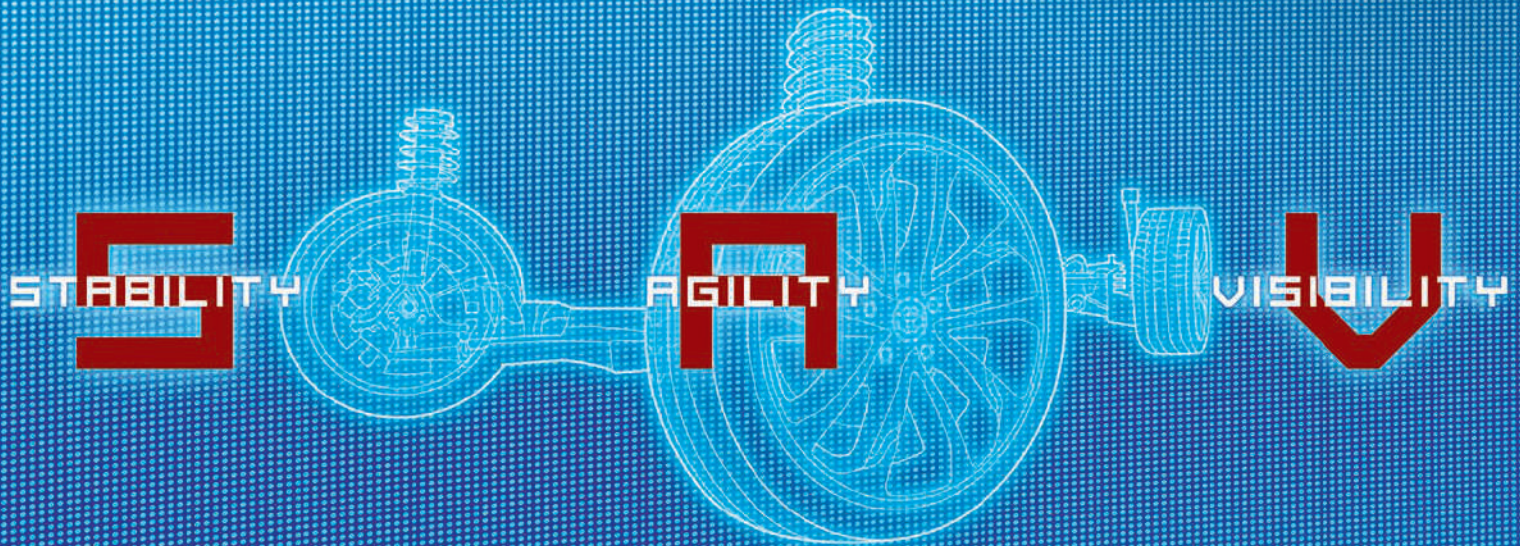

18" Alloy Rims

Thin spokes match the intricate design that can be seen in the contours of the vehicle.

REINVENT DRIVABILITY

It's what's on the inside that truly sets you apart. In the case of the Corolla Cross, it's a meticulously designed platform paired with performance-driven features that give you a smoother journey forward.

1.8 Litre

Max. Output
139Ps

Max. Torque
172Nm

1.8L DOHC Dual VVT-i Engine

Balances a responsive acceleration and higher engine output along with combustion efficiency to deliver superior fuel economy.

**Toyota
New
Global
Architecture**

The base structure of the vehicle was designed to optimise **stability, agility and visibility** for an enjoyable driving experience.

STABILITY

The high body rigidity structure ensures better ride comfort and handling stability.

AGILITY

The structure provides a responsive and agile handling which results in a more comfortable ride.

VISIBILITY

A higher seating position and narrower A-pillars help you see everything you need to.

**7-speed CVT with
Sequential Shiftmatic**

Incorporates a new cooperative control with the electronically-controlled throttle for increased drivability, quietness and fuel economy.

Best-in-class Turning Radius

Move around town easily with the best-in-class turning radius of 5.2m.

18° Approach Angle

Confidently take on rough urban roads with a large approach angle that easily handles high speed bumps.

REINVENT SAFETY

Advanced safety technology built into the Corolla Cross gives you best-in-class safety and peace of mind when driving.

360-T Advanced It's all about Trust & Technology by Toyota

SAFE-T Trust for smoother journeys ahead

Toyota
Safety
Sense

Pre-collision System [PCS]*

Avoids or mitigates frontal collisions by alerting the driver and automatically applying the brakes when there is a risk of collision.

Lane Departure Alert [LDA]*

Alerts and assists when you are out of the lane unintentionally. Less swaying, smoother driving.

Dynamic Radar Cruise Control [DRCC] for High Speeds*

At speeds above 30 km/h, it maintains a safe distance with the preceding vehicle and brakes automatically when the car ahead slows down.

Lane Tracing Assist [LTA] for High Speeds*

At speeds above 30 km/h, it keeps the vehicle centred either by detecting the lane or the preceding vehicle.

Automatic High Beam [AHB]*

Automatically switches between high beam and low beam as needed to provide maximum road visibility.

*Driver remains solely responsible at all times for safe driving.

360-T Advanced

It's all about Trust & Technology by Toyota

SAFE-T

Trust for smoother journeys ahead

3D Panoramic View Monitor [PVM]

Get a detailed 360° view of your vehicle for manoeuvring in tight spaces.

Blind Spot Monitor [BSM] with Rear Cross Traffic Alert [RCTA]

Detects vehicles that may not be visible to you when changing lanes or reversing, and alerts you.

Front & Rear DVR (With Smartphone Connectivity)

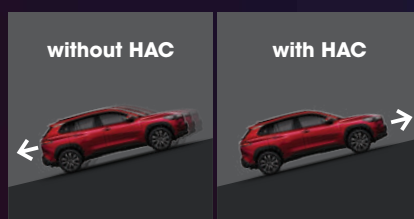

Convenient access and monitoring via Toyota DVR app.

(Rear DVR available as an optional accessory.)

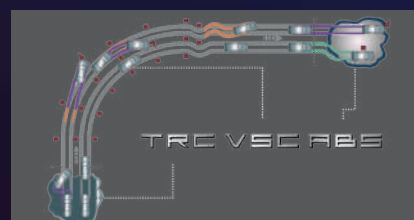

7 SRS Airbags

Driver, front passenger, side, curtain and driver's knee airbags provide complete protection for the driver and passengers in the event of a collision.

Hill-start Assist Control [HAC]

Sustains brake pressure for 3 seconds to prevent the vehicle from rolling backwards on an incline.

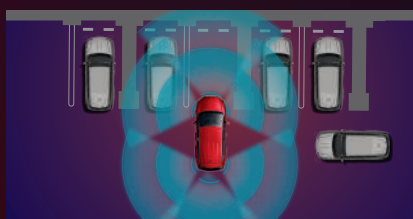

Vehicle Stability Control [VSC] with Traction Control [TRC]

VSC prevents side skids and helps stabilise the vehicle when turning on a curve. TRC applies the brakes or slows down the engine to regulate spinning and ensure proper contact of tyres.

Tyre Pressure Warning System [TPWS]

Notifies you when tyre pressure is below an acceptable level, indirectly helping you maintain optimum fuel efficiency at all times.

6 Parking Sensors

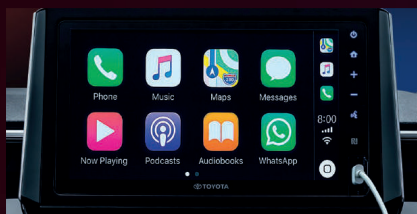

Have a little extra peace of mind with 2 ultrasonic sensors in the front and 4 at the back.

360-T Advanced

It's all about Trust & Technology by Toyota

CONNECTIVI-T

Technology at your command

9" Display Audio with Apple CarPlay® & Android Auto™ Connectivity*

9" touch screen display with real-time navigation and music options. Selectable via built-in controls or smartphone.

Wireless Charger [Optional]

Offers convenient charging for Qi** standard-compliant devices, without the use of a cable.

Rear USB Charging Ports

Conveniently located ports allow the passengers to easily charge their devices.

Vehicle Telematics System [VTS]

An integrated system that monitors and shares your vehicle's real-time location through a mobile app.

GUARAN-T

Total peace of mind

5
YEARS
WARRANTY

5 years warranty from the date of first registration with unlimited mileage. Terms and conditions apply.

REINVENT COMFORT

The inside of the Corolla Cross was made for more than just ordinary comfort. Every little detail was put in place to keep you comfortable, even during long drives.

Interior Illumination

Located near storage spaces so you can access your belongings with convenient visibility.

4.2" Colour Multi-information Display [MID]

The meter was purposefully designed to display crucial vehicle information while maintaining excellent visibility of the road ahead.

Auto Air-conditioning

The air-conditioning system takes the exterior temperature into account, adjusting the airflow and turning the compressors on and off to maintain the desired temperature.

Rear Air-conditioning Vent

Not to forget the rear seat passengers, whose comfort is also conveniently provided for.

Driver Seat with 8-way Power Adjuster

With the push of a button (or two), the driver can change the seat's position for maximum comfort.

REINVENT SIMPLICITY

Every experience with the Corolla Cross is as easy as can be. All features were put in place to anticipate what will be convenient for you.

Kick-sensor Power Back Door

Automatically open and close the back door by performing a kick motion under the rear bumper.

440L Boot Space

Enjoy generous luggage space which fits in various types of loads.

Rear Seats with 6° Recline Angle

Comfort doesn't just come from the improved cushion material and optimised armrest size. The recline angle of 6° supports a more comfortable posture.

CHOICE OF COLOUR

Red Mica Metallic [3R3]

Nebula Blue Metallic [8X2]
